

## Pray For The Well - Samosa Sunday 23/3/14

Give thanks for our 20th anniversary, for all the people who have made the past 20 years possible: Volunteers; Board members; Donors; Prayer Partners; Charitable Trusts; Staff; The Church of Scotland; Other Churches; Partner Organisations and last but not least our service users!

Pray for The Board of The Well - they carry a heavy responsibility, which they do cheerfully. Pray for wisdom for them as they make decisions about the directions and work of The Well.

Pray as we search for new premises - that God will provide. As yet we don't have anywhere yet, and we need to have somewhere by this summer. This is crucial as we seek to not just accommodate our current work, but also the development of the work.

Pray for more volunteers - not just in the advice work, but in other roles as well. We are very grateful for the people who have given their time and talents to help The Well.

Pray for the appointment of more staff & the funding this will require. We need a full time development worker; a women's outreach worker; a men's worker and more hours for the admin worker.

Pray for the people who use The Well - many of them are marginalised (some marginalised within their own communities). For many of the service users The Well is their family, and for most of them The Well is the only place they will meet Christians.

Pray for us as we live out our faith day by day in The Well, that we would be faithful witnesses, not least in the way we interact with our service users. May they experience God's love, grace and peace through us.

We are so grateful for the link we have with Govanhill Free Church. Give thanks for this, and pray for the Men's & Women's English Classes and the Mother & Toddler group that is held there.

Pray for the Women's craft group and the men's computer classes held in The Well - may these be opportunities to build deeper relationships and to share our faith.

Pray for the increased finance we need to run The Well. We need more individuals and churches to partner with us, not just in finance but also in prayer.
